“I finished two quilts this month. The first was trees I designed in EQ years ago and finally finished.

The second is a pattern by Lori Holt called Prim and Proper.”

# Judy H.

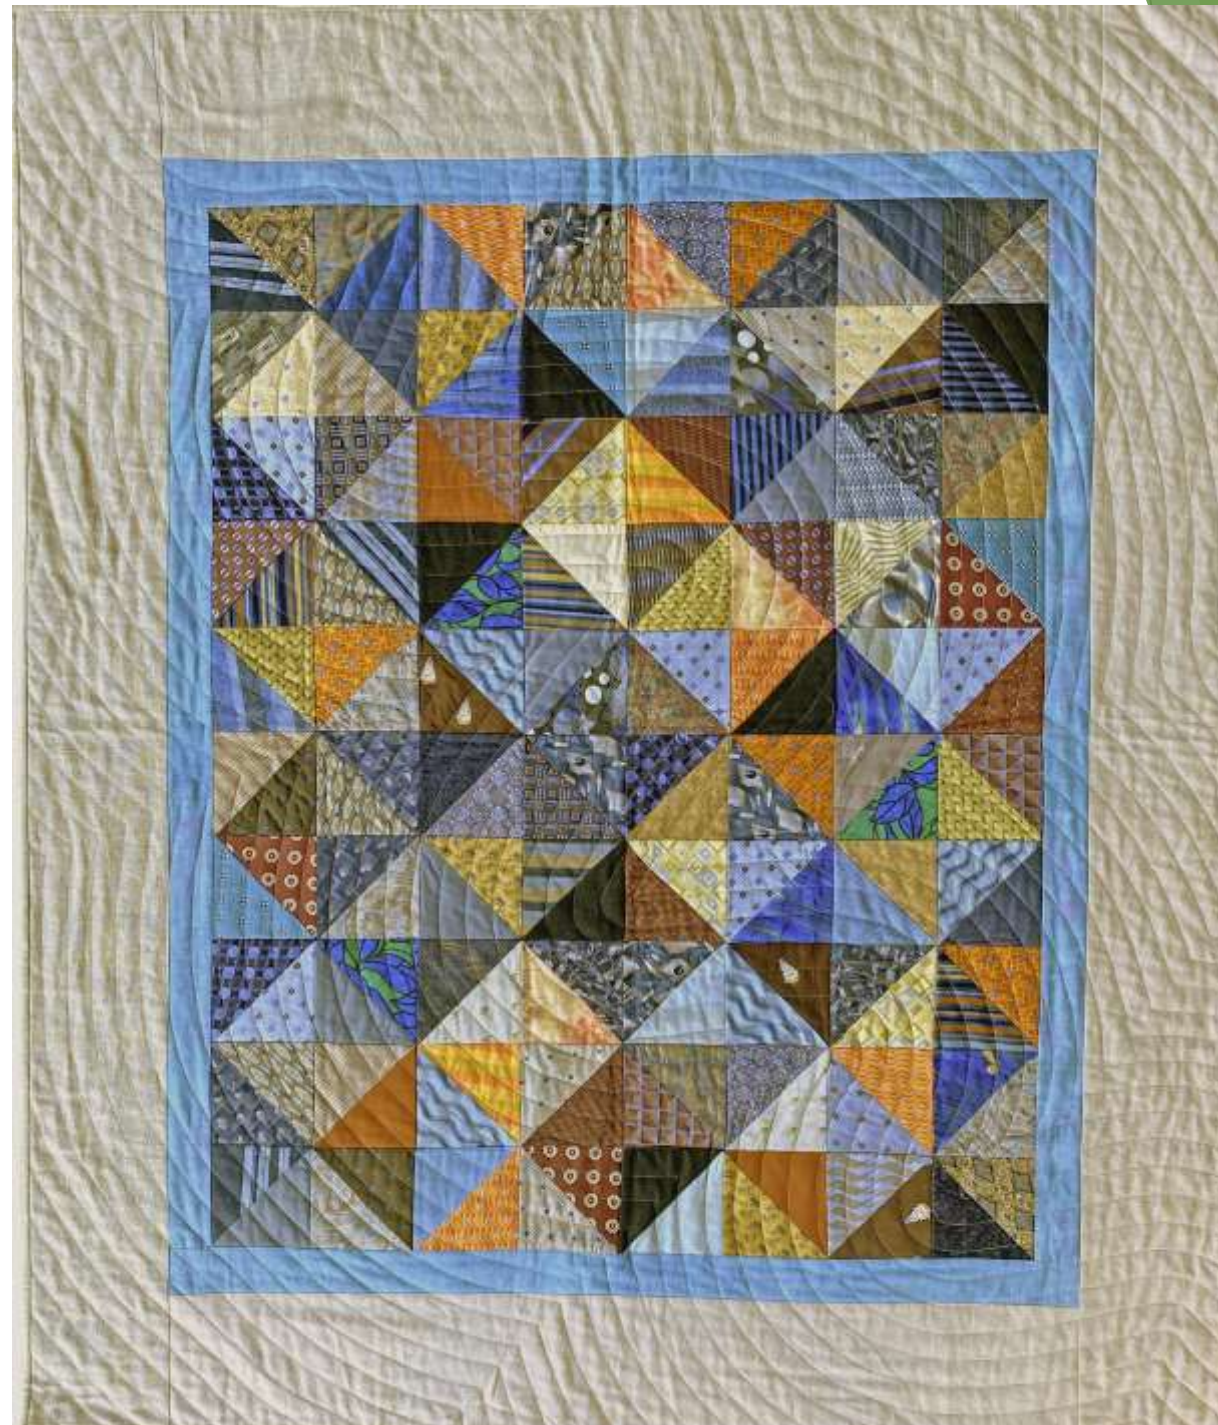

Judy has been inspired to make little quilt blocks.

These are 4-5 inches square.

“Last weekend a group of friends and I held our annual Zoom quilt retreat. In between visiting and catching up I worked on house blocks and book pillows.

Prior to the retreat I cut kits so I could just sit down and start sewing. It was a fun and productive weekend.”
